Cookies In Use on This Site

Cookies and how they Benefit You

Our website uses cookies, as almost all websites do, to help provide you with the best experience we can. Cookies are small text files that are placed on your computer or mobile phone when you browse websites

Our cookies help us:

- Make our website work as you'd expect
- Remember your settings during and between visits
- Improve the speed/security of the site

We do not use cookies to:

- Collect any personally identifiable information (without your express permission)
- Collect any sensitive information (without your express permission)
- Pass data to advertising networks
- Pass personally identifiable data to third parties
- Pay sales commissions

You can learn more about all the cookies we use below

Granting us permission to use cookies

If the settings on your software that you are using to view this website (your browser) are adjusted to accept cookies we take this, and your continued use of our website, to mean that you are fine with this. Should you wish to remove or not use cookies from our site you can learn how to do this below, however doing so will likely mean that our site will not work as you would expect.

Website Function Cookies

Our own cookies

We use cookies to make our website work including:

- Remembering your search settings;
- Remembering if you have accepted our use of cookies

We give you the option to accept or decline the use of these cookies; however, you may find that declining the use of cookies will limit the functionality of our website.

Third party functions

Our site, like most websites, includes functionality provided by third parties. Our site includes the following which use cookies:

Disabling these cookies will likely break the functions offered by these third parties

Turning Cookies Off

You can usually switch cookies off by adjusting your browser settings to stop it from accepting cookies (Learn how [here](#)). Doing so however will likely limit the functionality of our's and a large proportion of the world's websites as cookies are a standard part of most modern websites

It may be that you concerns around cookies relate to so called "spyware". Rather than switching off cookies in your browser you may find that anti-spyware software achieves the same objective by automatically deleting cookies considered to be invasive. Learn more about [managing cookies with antispymware software](#).

The cookie information text on this site was derived from content provided by Attacat Internet Marketing <http://www.attacat.co.uk/>, a marketing agency based in Edinburgh. If you need similar information for your own website you can use their [free cookie audit tool](#).
